### CHINESE CHESTNUT SEEDLINGS

#### WHOLESALE PRICE LIST

Effective November 1, 1963

We again have a fairly generous supply of 1-year-old Chinese Chestnut seedlings in the sizes listed below. A few of the larger 1-year seedlings may be slightly branched. These trees are all of the Peter Liu strain, with fine root systems, which have been our standard for many years.

Shipment can be made from about mid-November to March 1st, by direct digging from the nursery. Orders booked for shipment after March 1st, will be dug as late as possible and held in cold storage until the shipping date.

We are not quoting prices on 2-year branched seedlings although we will have a small supply available. Write us for your needs and we will quote prices directly by letter and then book your order as our supply of trees may permit.
